Miss A. M. Bleakley,

Palmerston Avenue School, Toronto.

Dear Miss Bleakley:

I feel sure that there would be no difficulty in your getting the use of the Convocation Hall for the Toronto Teachers' Institute provided there is not another engagement that may interfere with its being occupied by you on the afternoon of Friday, October 30. It is possible that Sir Harry Monnston, formerly Governor-General in East Africa, may be lecturing on that afternoon and that we might require the use of the Hall. I am afraid that I cannot give you a final answer immediately. How long could <sup>you</sup> wait so that I may definitely know?

Yours sincerely,

President.

Dear Sir —

In reply to your letter asking how long we could wait for a definite answer as to the question of getting Convocation Hall for the afternoon of Oct. 30th, would you be kind enough to let me know as soon as you know definitely?

In the event of our not being able to obtain Convocation Hall, we shall have to try and make other arrangements as our program has been completed with that date in view.

I thank you very sincerely for your courtesy in the matter.

I remain,

Palmerston Ave School,  
Oct. 6th, 1914.

Respectfully yours,  
A. M. Bleakley  
Secy.
